

Pin Spotting

This product is a great way to light any area that needs illumination. Compact, lightweight, wireless, these lights are perfect for highlighting décor such as seating areas and floral centerpieces.

Above: Air wall track placement blends into room decor adding tremendous value to any event space. The spots shown above leave a small footprint with a large effect.

Bottom Left: You have invested in beautiful decor, make sure your guests see every detail by drawing attention to the focal points.

Bottom Right: Wireless, magnetic pinspots are a covert option to highlight your decor.
